This is a detailed cadastral map of a rural area, likely in Japan, showing land parcels, roads, and infrastructure. The map is divided into several sections, with a large central area labeled '31' and smaller sections labeled '32', '33', '34', and '35'. The map includes numerous numerical values, possibly representing land area or coordinates, and various symbols indicating different types of land use or infrastructure. A road labeled '会下山線 27M' is visible on the left side. The map is oriented with North at the top, indicated by a compass rose in the upper left corner.
